

FABULOSITY

Todrick Hall

Honey child, sister girl
Better work, better twirl
See them strutting down the street
That's that fabulosity
Bring the funk, bring the noise
Bring the hunks, bring the boys
If you loving who you be
That's that fabulosity
That fabulous

Come through for the LGBTQ (Oh, feeling)
Chaka Khan and the boys know what to do (Fabulous)
If you're fierce and you're feeling fancy free (Oh, feeling)
Baby, that's that fabulosity (Fabulous)

If you're glamorous, here's your chance
Put the pumps on and vogue those hands, hands, hands, hands

Gag the girls, gag the girls, eat it
