

First

Todrick Hall

Ha, ha, ha, ha, ha

First thing's first - you were my first
You is so fly, so fine it hurts
Laugh through the good, cried through the worst
I was the top bunk, you made me vers
They call me "lucky." I think I'm cursed
You say you love me, it sounds rehearsed
Is somebody else quenchin' your thirst?
Went through your phone, then called up a hearse

Well, call me, "That's So Raven"
Knew I was gon' get hurt
Knew you were misbehavin'
So, guess what?
Bitch, I cheated on you first (bitch, I cheated on you first)
Bitch, I cheated on you first (bitch, I cheated on you first)
Yeah, you hit me where it hurts
But a playa played your worse
Bitch, I cheated on you first (bitch, I cheated on you)
Ha, ha, ha, ha, ha

Next thing's next - I pawned your ring
DMed your ex and made him a fling
That bitch showed up in a G string
He said, "I want that King ding-a-ling!"
I said, "Who doesn't?", but it depends
He said, "Inject me like a syringe"
I almost threw up, that shit made me cringe
But gave him the dick juice just for revenge

So, call me, like Miss Cleo
Knew you ain't treat me right
Shouldn'ta fucked wit me tho
So, guess what?
Bitch, I cheated on you first (bitch, I cheated on you first)
Bitch, I cheated on you first (bitch, I cheated on you first)
Yeah, you hit me where it hurts
But a playa played your worse
Bitch, I cheated on you first (bitch, I cheated on you)
Ha, ha, ha, ha, ha

Bitch, I replaced you, your shit is stale
My new man is all that, Kenan, and Kel
This freak droppin' soap like we up in jail
Be rubbin' my nipples like that shit is Braille
You thought you got me, that was a fail
Bitch, I'm a MacBook Pro, you a Dell
What's my new man's name? I'll never tell
I'm cheatin' on him too, see you in hell
You tried to play me, baby, you lost
Your game is basic, my shit is sauce
My booty's the steak for the salad you tossed
I am that bitch that you don't wanna cross (bye)
Bitch, I, Bitch, I, Bitch, I cheated on you first (bitch, I cheated on you)
Bitch, I, Bitch, I, Bitch, I cheated on you first (first, first)
Bitch, I, Bitch, I, Bitch, I cheated on you first

Bitch, I, Bitch, I, Bitch, I cheated on you first

Bitch, I cheated on you first
Yeah, you hit me where it hurts
But a playa played your worse
Bitch, I cheated on you first
Ha, ha, ha, ha, ha
