

FLEX

Todrick Hall

Flex, sex, flex
Hot body, sex
Flex, hot chest, body, sex
Flex, hot chest, body, sex, yes

This one's for the delfs and the daddies with the thick necks
Big pecs and they bouncing like hot jacks
Face PG, body on triple X
Sexy boy, let me see you flex
Face on 10, body on 12
Waist on 10, booty on 12
Sent from heaven but I'll hide ass hell
These boys can't keep their hands to theyself

Feet, supple, booty, my bubble
I got that beef, said that ain't no puzzle
Show me that scrub, show me, show me that stubble
If you like it tough, like it rough, think you in trouble
Ooh, just daddy, daddy flex for me
Body, body, bounce, body, chest for me
You walk like dog, like sex to me
Daddy flex for me, flex for me, oh

Flex, I like it when they strip
I like it when they pegs
Got a piercing in the nip
I like it when that swag
Dripping down they six
That booty is my drug
I'm addicted to that crack

You flexing, motherfucker?
Flex, hot, chest, body, sex
Yes, flex, hot, chest, body, sex
Yes, let's go

Big boy, that body banging
You ain't banged but damn, you veining
Oh boy, that thing is thanging
Them gray sweatpants are swinging
The body right, physique phenomenal
The body tight, obliques are dominoes
Holes in the posties, goodies on X
Like a bitch a Rolex, bitch, watch me flex
Face on work, body on Hercules
Out of this earth, booty deep like Mercury
F to the L to the E to the X
My ex still with you, you can watch me flex

Ooh, just daddy, daddy flex for me
Body, body, bounce, body, chest for me
You walk like dog, like sex to me
Daddy flex for me, flex for me, oh

Flex, I like it when they strip
I like it when they pegs
Got a piercing in the nip

I like it when that swag
Dripping down they six
That booty is my drug
'Cause I'm addicted to that crack

You flexing, motherfucker
Flex, hot chest, body, sex
Flex, hot chest, body, sex
Flex, hot chest, body, sex
Flex, hot chest, body, sex

F-L-E-X
Big pecs, big necks
Black, white, Latin, X
