

FOREPLAY

Todrick Hall

When "BERSERK" starts playing in the room
These boys start feeling cute, I got 'em in my fandom
When the lights start flashing till the offview
Stand up and salute the gay national anthem
When the bass starts pumping through your speakers
Get out on the floor (Dance)
Get out on the floor, hands and pants off
We ain't here to entertain you
[?] you
Bitch, we came to slay you
Haha
