

Glitter

Todrick Hall

Hey Google, let's set the stage

I don't know how you did it, but I like it when you cover me with your kisses (mwah)

How did you shatter my inhibition?

No-one else could ever make this cold heart glisten, but can you do it again?

'Cause I wanna feel, wanna feel like this forever (forever)

I wanna dance, I wanna dance with you for life (for life)

And I wanna be, I wanna be like this together

'Cause baby outside, when your body's on mine

Hey Google, it's Showtime

'Cause your love is like glitter

Put it all, put it all, put it all, put it all over me babe

'Cause your love is like glitter

Put it all, put it all, put it all, put it all over me babe

'Cause your love is like glitter

Put it all, put it all, put it all, put it all over me

I'll put it all over you (I'll put it all over you)

I'll put it all over you, I'll put it all over you

Glitter, put it all, put it all, put it all, put it all, all over me babe

'Cause your love is like

Just wrap me in your arms tonight, I wanna get lost in your eyes

I'm alright if I'm by your side

Dance for me, dance for me

Just wrap me in your arms tonight, I wanna get lost in your eyes

I'm alright if I'm by your side

Dance for me, dance for me

Put it all, put it all

All over me babe

'Cause your love is like glitter

Put it all, put it all, put it all, put it all, all over me babe

I'll put it all over you (I'll put it all over you)

I'll put it all over you, I'll put it all over you

Glitter, put it all, put it all, put it all, hey Google, order more glitter

Put it all, all over me babe

'Cause your love is like
