

I Can

Todrick Hall

Pardon me, I didn't see your red octagon
Tellin' me I should stop
I was blinded by the popular gods
As they were pullin' me straight to the top
All I need's a little passion
Just a little fashion should do the trick
Cause I drink a shot of confidence
When I know I got some ass to kick

Cause I can do the impossible cause I'mma start
You know it's just a matter of time
I can, I'm gonna change the game, want me to sign my name?
Well, honey, get in the line

Cause I can, I can, I can, I can, I
I am, I am, I am, I
The greatest superstar, I
Somebody give me a band, I'll show the world that I can
I can, I can, I can, I (I can)
I am, I am, I am, I (I can)
The greatest superstar, I
Somebody give me a band, I'll show the world that I can
