

Imma Diva

Todrick Hall

See, I don't take no bullshit, not from anyone
You out of bullets? Then don't point a gun
Want me to bring it? It's already brung
And you don't wanna be stung by me now
You wanna play with fire? Then you gon' get burned
Time to retire, yup, you had your time
Don't ever try, bitch, you 'bout to learn
That I'm the baddest A B the world will ever see

Cause I'm a diva, I'm the bitch, I'm the bomb, I'm the queen
I'm a diva, on the cover of the magazine
I'm a diva, every word that you heard, yeah, it's true
So don't call me diva cause that's Miss Diva to you

I'm a, I'm a diva, I'm a, I'm a diva
I'm a, I'm a diva, (cause that's Miss Diva to you, yeah)
I'm a, I'm a diva, I'm a, I'm a diva
I'm a, I'm a diva, (diva, diva, diva)

Cause I'm a diva, I'm the bitch, I'm the bomb, I'm the queen
I'm a diva, on the cover of the magazine
I'm a diva, every word that you heard, yeah, it's true
So don't call me diva cause that's Miss Diva to you

I'm a, I'm a diva, I'm a, I'm a diva
I'm a, I'm a diva, (cause that's Miss Diva to you, yeah)
I'm a, I'm a diva, I'm a, I'm a diva
I'm a, I'm a diva, (diva, diva, diva)

The carpet, the carpet has got to be red
Armani, Versace or I won't be caught dead
The wine, the wine has got to be red
Has got to be red, has got to be (cause I'm a diva)
The flight, the flight has got to be private
The latest Mercedes, but I don't even drive it
The price, the price, don't matter cause we buy it
Don't matter cause we buy it, don't matter cause I'm a diva
