

"Is that my booty? I guess it is."

I been up in that gym feelin' real hot  
Tonin' those buns, hittin' them squats  
Givin' these cakes all that I got  
I ain't even know if it was werkin' or not  
So, I got down on my knees  
I said, "If you're listenin', please  
Make these cheeks be double Ds"  
Then I twerk myself to sleep (Bitch)  
Woke up feelin' like Sally the Camel  
Two humps, too much to handle  
I thought somethin' was wrong  
So, a bitch picked up the phone like

9-1-1 S.O.S  
Put these cakes under arrest  
If that's mine, I'm impressed  
I guess that thing got juicier  
Than I had recalled  
Snatch my wig, bitch I'm bald  
Tell my ex that I called  
Just say, "My booty juicier" like  
Oww, oww, oww, oww, oww  
Oww, oww, oww, oww, oww  
Make it jiggle like  
Oww, oww, oww, oww, oww  
Oww, oww, oww, oww, oww  
Make your waist go  
'Round, 'round, 'round, 'round, 'round  
'Round, 'round, 'round, 'round, 'round  
Now drop it way  
Down, down, down, down, down  
I guess my booty juicier

I was at the airport tryna escape  
Lookin' real cute, runnin' real late  
They said, "Stop! That's too much cake."  
I didn't even know how much the booty need weighed  
They said, "Girl, that's too much ass!  
You gon' make the freakin' plane crash!"  
So, I called Big Booty Air fast  
They upgraded me to First Class, bitch  
They put an "overweight" sticker on my right cheek  
They said, "This freak might need two seats."  
This booty famous, ain't no obscurity  
I'ma need Booty Security
