

# QUEEN

Todrick Hall

I see you staring at me with confusion  
Don't try, your mind might be paralyzed  
But if you think you can handle this illusion  
Maybe I'll take you to paradise

Cause I do my own thing  
I strut in my own lane  
I'm marching to the  
Beat beat beat of my drum  
Breaking loose  
And I'm breaking the rules  
Hope my haters are ready  
Cause here I come

Yeah I was born with the glitter  
Running through my veins  
Yeah I was born, don't give a  
Fuck what people say  
Yeah I was born a winner  
The world should know my name  
Yeah I was born to be a  
Born to be a

(Queen)  
Born to be a  
(Queen)  
Born to be a  
(Queen)  
Born to be a  
(Born to be a Queen)  
Born to be a  
(Queen)  
Born to be a  
(Queen)  
Born to be a  
(Born to be a Queen) (Queen!)

They'll bow to me  
If they ain't mad they 'bout to be  
Tell haters from my balcony  
I'm born (Born to be a Queen)  
Ain't gotta be  
I'm blowing up and magically  
They're calling me Your Majesty  
I'm born (Born to be a Queen)  
(Born to be a Queen)  
(Born to be a Queen) (I'm a Queen!)

Your sticks and stones were thrown to try to hurt me  
I bled, I cried but a bitch survived  
Now when they see me they grovel and they curtsy  
Cause I'll be a Queen till the day I die

Cause I do my own thing  
I strut in my own lane  
I'm marching to the  
Beat beat beat of my drum

Breaking loose  
And I'm breaking the rules  
Tell my haters get ready  
Cause I ain't done

Yeah I was born with the glitter  
Running through my veins  
Yeah I was born, don't give a  
Fuck what people say  
Yeah I was born a winner  
The world should know my name  
Yeah I was born to be a  
Born to be a

(Queen)  
Born to be a  
(Queen)  
Born to be a  
(Queen)  
Born to be a  
(Born to be a Queen)  
Born to be a  
(Queen)  
Born to be a  
(Queen)  
Born to be a

The street is my kingdom  
The club is my castle  
We dancing for freedom  
But we still know how to wrestle  
Jump off the bandwagon  
If it's going the wrong way  
I don't need no dragon  
They already know I slay

I'm born to be  
I'm born to be  
I'm born to be  
To be a Queen  
I'm born to be  
I'm born to be  
I'm born to be  
To be a Queen

I'm born to be  
I'm born to be  
I'm born to be  
To be a Queen  
I'm born to be  
I'm born to be

I 'm born to be  
To be a Queen
