

# Rent

Todrick Hall

Hi, this is Rachel from the leasing office and we've noticed  
There's been a lot of noise coming from unit 301  
Lot of partying, a lot of mess  
And you haven't paid your rent yet  
Can someone please give us a call back  
Cuz at this point I think you guys need to leave

Dear landlord, girl, I think you must be bored  
Saw your notice on my door  
But I tossed it on the floor  
See miss COVID came and shut us down  
So like, it's our time to party now  
So ma'am, I'm saying this as nice as I can

Fuck the rent (fuck the rent)  
I just got fired so you ain't getting a cent  
Fuck the rent  
And that stimulus check they sent already spent  
Fuck the rent  
Oh girl, I said what I said and that's what I meant  
(That's what I meant)  
Fuck the rent  
(Fuck the rent)

Cuz I'm staying, I'm staying  
I'm staying here but honey  
I'm not paying, not paying  
You ain't getting my money  
What I'm saying, I'm saying  
I'll say it again  
Fuck the rent  
Fuck the rent

Hi, it's Rachel again  
We just got a call from a neighbor  
Complaining about excessive barking  
Which is odd because you're in our no pets wing  
I took the liberty of watching your Insta stories  
And I know that you're quarantining here so  
Call me back or I'm calling the cops

I've got two cats, a dog, a ferret  
But no pet deposit  
I've been a rebel since the devil  
Strutted out of the closet  
So bend over I'll show you where  
To put your noise complaints  
And if you think you're gon' evict us  
Let me tell you, you ain't

Fuck the rent (fuck the rent)  
They just furloughed me so you ain't getting a cent  
Fuck the rent  
And that stimulus check they sent already spent  
Fuck the rent  
Oh girl, I said what I said and that's what I meant  
(That's what I meant)

Fuck the rent  
(Fuck the rent)

Cuz I'm staying, I'm staying, I'm staying  
Here but honey  
I'm not paying, not paying  
But I do pay my dancers  
I'm just saying, just saying  
I'll say it again  
Fuck the rent  
Fuck the rent

Fuck the rent  
Fuck the rent  
Fuck the rent  
Fuck the rent

Fuck the rent (fuck the rent)  
Call another tenets phone if you need to vent  
Fuck the rent  
You're embarrassing yourself, can't you take a hint  
Fuck the rent  
Cuz I said what I said and that's what I meant  
(That's what I meant)  
Fuck the rent  
(Fuck the rent)

Cuz I'm staying, I'm staying  
I'm staying here but honey  
I'm not paying, not paying  
You ain't getting my money  
What I'm saying, I'm saying  
I'll say it again  
Fuck the rent  
Fuck the rent

Hi, it's Rachel again  
And I just wanted you guys to know  
That I quit that job  
I hate that fucking place  
So if you guys wanna party  
Let a bitch know  
Also, you looking for a roommate?
