

# Rich Forever

Todrick Hall

Ooh, you're rich  
My booty worth a billion  
My kisses worth a million  
My goodies worth a trillion  
So bitch I'm rich forever!

My booty is a Louis  
My coochie is a Gucci  
My bawdy is so boujie  
So bitch I'm rich forever!

I ain't got no car, but boy I'll drive you crazy  
I don't need your heart, just keys to your Mercedes  
I can't give you cash, just ass pics on the daily  
You just gotta ask, I'll be your sugar baby

These abs, they six figures  
In Forbes for being fine  
They say Twerk I werk bitch  
Like I signed a W9

Why would I cook in the kitchen  
When my body's a whole meal  
And when they ask me for my number  
I tell 'em a couple mill cause...

My booty worth a billion  
My kisses worth a million  
My goodies worth a trillion  
So bitch I'm rich forever!

My booty is a Louis  
My coochie is a Gucci  
My bawdy is so boujie  
So bitch I'm rich forever!

I ain't got no job, I'm working on my fitness  
I don't punch no clock but baby you can hit this  
Body needs insurance, GEICO is my witness  
The way I pop, pop, pop, this ass can get expensive

These abs, they six figures  
In Forbes for being fine  
They say Twerk I werk bitch  
Like I signed a W9

And you can have this cake by the ocean served  
They ask me for my number, I tell them they can't afford it

My booty worth a billion  
My kisses worth a million  
My goodies worth a trillion  
So bitch I'm rich forever!

They call me Taj Mahal because this booty is a dome
