

# Shine

**Todrick Hall**

Turn up the mic  
And I'll show you I've got what it takes  
Turn off the lights  
And I'm still going to sparkle up the place  
Give me one night  
And you'll never forget my face  
How'd I come into last place  
When I'm the fastest one in the race?  
Tell me why  
Tell me why can't I reach the finish line?  
Ooh, tell me why  
Tell me why is the trophy never mine?  
Ooh  
Give me a world that's color blind  
But mama needs a chance to shine
