Wrong Bitch

Todrick Hall

Now if you think I'm some sideline type chick
Think you guys gon' sell me lies, best recognize real quick
Bitch, you got the wrong bitch [2x]
You got the wrong wrong bitch

If you think you gon slanderize my name
You done lost your mind
I ain't got time for all these games
Bitch, you got the wrong bitch [2x]
You got the wrong wrong bitch

'Cause I bite my tongue for no wizard
I fight with fire in a snow blizzard
I tear that Emerald City down, ain't no sitting down
With no cold lizards like huh
It's wiz business, that's a silent 'I'
And I'll be silent the day I see motherfuckin' monkeys fly
They flyin' now?... hmm

Now if you think that this witch won't expose
The fact that 5 Os droppin' houses on hoes
Bitch, you got the wrong bitch [2x]
You got the wrong wrong bitch

And if you try to wash my blood off these bricks
You think that I won't find the guy that came in to mop my kicks
Bitch, you got the wrong bitch
Bitch, you got the wrong bitch
You got the wrong wrong bitch

But don't believe everything you read
'Cause I won't back down and I won't recede
Which came from first, what more you need
Yeah, see the house bitch where's the deed
That bitch gravity? Yah! I'm defying her
Tell that bitch wizard I like his cowardly lion fur

My people
My beautiful green brothers and sisters
Tonight we stand together as one
They have tried to kill our pride
And now they have killed my family
I've seen a lot of things
But I've never seen a house fall from the sky, have you?
So we will fight for justice
We will fight for equality
And if the wizard wants to stop me
He's gonna have to take me down

Now if you think that we gon' bow down and run
Think we'd be bothered you got water in your guns
Bitch, you got the wrong bitch
Bitch, you got the wrong bitch
You got the wrong wrong bitch

And if you think we gon' cower and be scared
Think I won't be marching with my fist up in the air

Bitch, you got the wrong bitch
Bitch, you got the wrong bitch
You got the wrong wrong bitch
