

Alive

together PANGEA

Livin' a lie, and you don't even care
Livin' a lie, and you're unaware
Can't even tell, can't even tell
Give it some time, yeah, you'll catch the spell

I don't need you, I need to get by
(Woo oo oo oo oo)
You're living to live, or you're living to die
I don't need you, I need to get by
(Woo oo oo oo oo)
You're living to live, or you wanna die

(Oh, no, no!)

Give it a ride, yeah you give it hell
Give it some time, yeah, you'll catch the spell
Livin' a lie, and you don't even care
Lyin' around in your underwear

I don't need you, I need to get by
(Woo oo oo oo oo)
You're living to live, or you're living to die
I don't need you, I need to get by
(Woo oo oo oo oo)
You're living to live, or you wanna die

I don't need you, I need to get by
(Woo oo oo oo oo)
You're living to live, or you're living to die
I don't need you, I need to get by
(Woo oo oo oo oo)
You're living to live, or you wanna die
