

Haunted

together PANGEA

And the acid comes alive
And [?]
And all along the way
I know I shouldn't stay
And I know what I know anyway

And I know
It'll come back to haunt me in the end
I know
It'll come back to haunt me in the end
I know

Taken from my home
And all along the way
I know I shouldn't stay
And I know what I know anyway

And I know
It'll come back to haunt me in the end
I know
It'll come back to haunt me in the end
I know

And I know
It'll come back to haunt me in the end
I know
It'll come back to haunt me in the end
I know
