

Marijuana

together PANGEA

Life on the stage, life alone again
Spring up better men, siblings all of them
I believe in mind, I believe in time
I believe in life, up over everything

You can have it if you wanna
Fever dreams of Arizona
Learn to smoke that marijuana
Only you can make it stop

Life on the stage, life alone again
Spring up better men, siblings all of them
I believe in mind, I believe in time
I believe in life, up over everything

You can have it if you wanna
Fever dreams of Arizona
Learn to smoke that marijuana
Only you can make it stop
Only you can make it stop
Only you can make it stop

You can have it if you wanna
Fever dreams of Arizona
Learn to smoke that marijuana
Only you can make it stop
