

Misunderstood

together PANGEA

Way out, we could
Something fun misunderstood
Pin down, this town
We could leave it and we should
Way out in this town
You might kill me just for talking it down
Hey now what's good?
Talking shit but yeah you're right where I stood

Way out, we could
Something fun misunderstood
Pin down, this town
We could leave it and we should
Way out in this town
You might kill me just for talking it down
Hey now what's good?
Talking shit but yeah you're right where I stood
Way out in this town
You might kill me just for talking it down
Hey now what's good?
Talking shit but yeah you're right where I stood
