

Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?

Can't wait (wait wait wait wait)
Can't stay (stay stay stay stay)
Oh no (no no no no)
Oh no (no no no no)
Your face (face face face face)
You hate (hate hate hate hate)
Oh no (no no no no)
Oh no (no no no no)
Oh no!

Somewhere
I see it in your eyes

Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?

Can't say (ay-ay-ay-ay)
Your mate (ma-ma-ma-mate)
Oh no (no no no no)
Oh no (no no no no)
Can't wait (wait wait wait wait)
Can't stay (stay stay stay stay)
Oh no (no no no no)
Oh no (no no no no)
Oh no!

Somewhere
I see it in your eyes

Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
Are you really going out of your mind?
