

Rats

together PANGEA

Long lines, wasting
Talking now like you won't talk again
Free time, clenched teeth
Superficial when can stay underneath

Now they talk like rats (rats)
We ain't never coming back, they gotta go
Tell them till you know they know
Now they act like rats (rats)
They ain't never coming back, they gotta go
Tell them till you know they know

Long lines, wasting
Talking now like you won't talk again
Soft teeth, sink in the undertow
Last night, let me go let me go go

Now they talk like rats (rats)
We ain't never coming back, they gotta go
Tell them till you know they know
Now they act like rats (rats)
We ain't never coming back and they gotta go
Tell them till you know they know
Now they act like rats (rats)
They ain't never coming back and they gotta go
Tell them till you know they know
Now they act like rats (rats)
They ain't never coming back
Gotta go, tell them till they know
