

Why

together PANGEA

I'm so tired of being tired
I just spend to get spent
I just use to be used
All this time

Why
Why would I lie?
Why would I try with you?

I rip my shirt but that's fine
I'm too wasted unkind
You ask me please change my mind
All this time

Why
Why would I lie
Why would I try with you

Why
Why would I lie
Why would I try with you

Why
Why would I lie
Why would I try with you
