

I OD on everything I love  
 Everything I love, everything I love (Yeah)  
 I OD on everything I love (Uh-huh)  
 'Cause everything I love don't love me no more

And I be wakin' up so different, no ambition to leave home  
 Liquor hit a lil' different when you sip it on your own  
 Got a couple homies worried, I ain't pickin' up the phone  
 Funny thing is when I hide I'm the one who get exposed (Yeah)  
 I remember being young, dumb and full of limits  
 Watchin' mama cry while she ate everything in the kitchen (Yeah  
 )

Now I'm in the waiting room of a clean building  
 'Bout to see my sister for a rehab's monthly visit  
 White lies is a problem for me, pride is the problem for me  
 Some things are just stronger to me (So strong)  
 Addiction in my blood, I'm an addict for the love  
 I might turn to something else if I don't feel I have enough 'c  
 ause

I OD on everything I love  
 Everything I love, everything I love (Yeah, yeah)  
 I OD on everything I love  
 'Cause everything I love don't love me no more

I'm overdosin' on your love and these drugs, I can't get enough  
 The purple potion helps me out when you can't lift me up (Uh-  
 huh)  
 Roll up a blunt, get in my zone, I guess I like the rush (Yeah)  
 I took some time and looked around, now it's just only us  
 I'm an outsider baby, never felt like I belonged  
 Get high to right my wrongs, but please don't take that wrong  
 I got some real demons, I got real angels too  
 Don't know what I would do if I couldn't speak my truth  
 Real trials and tribulations, hard work and dedication  
 Product of my surroundings, my life a rocky mountain  
 But I'mma keep on climbin' and they gon' keep on doubtin'  
 Get up and get the greatness, don't got no time for slouchin'  
 One love

I OD on everything I love  
 Everything I love, everything I love (Yeah, Oh!)  
 I OD on everything I love  
 'Cause everything I love don't love me no more

Don't love me no more
