maybe double your salary, I'm on top of the balcony, how you look down on me?  
(How?)

Hoodie cost me about a G

Money on my head, that is not a bounty

Baby what's a consequence? What's a penalty?

I decide those, I'm the fuckin' referee (I'm the fuckin' referee)

Airplane mode, can't get to me (No)

Check my phone, who textin' me?
