

WHY WOULD U WANNA BREAKUP?

Token

When will it dawn on 'em
That they want the don on 'em
Sipping Nagasaki and I'm bout to drop a bomb on 'em
Call me .com, .net, or .gov
'Cause I'm coming after every single time we link up

Why would you wanna break up? (Break up)
Break up (Break up)
Break up (Break up)
Break up

I took you out the break room
Showed you how to have some fun
Now you acting too good
That's what being bad does
Why would you wanna break up?

Hollywood Boulevard really believe this bitch
The glamour don't last, but enjoy the trip
I took my L and made it elegant
Every W you doubled down and lost it
Don't even know what you lookin' for
But you look still
Now every day turn to a coulda-shoulda-would deal
I don't wanna hear you want me, you have me
And when I think 'bout how you lost me, I'm happy

When will it dawn on 'em
That they want the don on 'em
Sipping Nagasaki and I'm bout to drop a bomb on 'em
Call me .com, .net, or .gov
'Cause I'm coming after every single time we link up

Why would you wanna break up? (Break up)
Break up (Break up)
Break up (Break up)
Break up

I took you out to the break room
Showed you how to have some fun
Now you acting too god
That's what being bad does
Why would you wanna break up?

Don't be joggin' my memory after joggin' they block
Don't decide that I'm special after realizing they not
Don't be missing me now just because they missing your calls
Don't be thinkin' 'bout us, 'cause they not thinkin' 'bout y'all
You wanna try something new and see a new city (See a new city)
Nobody care what you see as long as you with me (Long as you with me)
I try to show you the world as much as I know it (That's what I do)
All they gon' do is show you off to the homies (That's real cool)
You wanna be paraded around in the city (Around in the city)
Nobody 'bout to parade you unless you with me (Unless you with me)
You want a shiny rock instead of diamond [?]
Don't be callin' my phone right after callin' they bluff

Ugh. What the f-
