

Covered In Gold

Tokio Hotel

I like you simple, I like the way you walk
You liked me simple, you fell for the way I talk
You were making me high, I didn't know it wasn't meant to last
I turn the lights down, hearts can fall out of love

Out of love, out of love, out of love, out of love
Out of love, and nothing's gonna heal it
Out of love, out of love, out of love, out of love

But I can't let you go, put your heart on repeat
Remember love, remember me
And I can't let you go, put your heart on repeat
Remember us, remember me

Falling in and out of love is a part of us
I keep hanging on to secret promises
You broke me apart, like a shattered glass
Our love is gross but I'm covered in gold, gold, gold
Covered in gold, gold, gold
Covered in gold

It should be easy, guess I never figured you out
It's not easy finding love in the applause
Am I gonna be healed, when I rip about the history
When you forgot us, you destroyed the rest of love in me

Out of love, out of love, out of love, out of love
Out of love, and nothing's gonna heal it
Out of love, out of love, out of love, out of love

But I can't let you go, put your heart on repeat
Remember love, remember me
And I can't let you go, put your heart on repeat
Remember us, remember me

Falling in and out of love is a part of us
I keep hanging on to secret promises
You broke me apart, like a shattered glass
Our love is gross but I'm covered in gold, gold, gold
Covered in gold, gold, gold
Covered in gold

'Cause we're loving, loving, loving ah hey
'Cause we're loving, loving, loving ah hey
'Cause we're loving, loving, loving ah hey
'Cause we're loving, loving, loving ah hey

Falling in and out of love is a part of us
I keep hanging on to secret promises
You broke me apart, like a shattered glass
Our love is gross but I'm covered in gold, gold, gold, gold
Covered in gold, gold, gold
Covered in gold

But I can't let you go, put your heart on repeat
Remember love, remember me

Falling in and out of love is a part of us
I keep hanging on to secret promises
You broke me apart, like a shattered glass
Our love is gross but I'm covered in gold, gold, gold, gold
Covered in gold, gold, gold
Covered in gold
