

# Girl Got A Gun

Tokio Hotel

Time that we, have the talk  
Are we on, are we off  
On the phone, reality  
Every word, is killin' me  
Dirty bitch, beautiful  
Treat me like, animal  
You changing rooms, I never knew  
Let me get, over you

Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a gun bang bang  
Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a gun bang bang

Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a gun bang bang  
Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a bang  
bang bang

Got my heart, got the night  
All my love, left behind  
Take a trip, role the dice  
I get lost, paradise  
A perfect life, has begun  
I'm on top, since you're gone  
Better off, on my own  
I let go, we are done

Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a gun bang bang  
Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a gun bang bang

Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a gun bang bang  
Girl got a gun, girl got a gun gun gun  
Girl got a gun, girl got a bang  
bang bang

When I move on when I move on  
All I feel is oh yeah  
You can move on you can move on  
All I got is no love

Girl got a gun  
Girl got a gun gun gun  
Girl got a gun  
Girl got a gun bang bang  
Boy better run  
Boy better run run run  
Girl got a gun  
Girl got a gun bang bang  
Girl got a gun  
Girl got a gun gun gun  
Girl got a gun bang bang  
Boy better run

Boy better run run run  
Girl got a gun  
Girl got a gun bang bang
