

Monsoon 2020

Tokio Hotel

I'm staring at a broken door
There's nothing left here anymore
My room is cold, it's making me insane

I've been waiting here so long
And now the moment seems to have come
I see the dark clouds coming up again

Running through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt

Flight in the storm, into the blue
And when I lose myself, I think of you
Together we'll be running somewhere new
Through the monsoon
It's just me and you

But half moons fade
And from my sight, I see your vision and its light
But now it's gone and left me so alone

I know I have to find you now
Can't hear your name, I don't know how
Why can't we make this darkness feel like home?

Running through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt
Through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt

Flight in the storm, into the blue
And when I lose myself, I think of you
Together we'll be running somewhere new
And nothing can hold me back from you

I'll be with you soon
Just me and you
We'll be there soon
So soon

Running through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt
Through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt
