

## Close 2 Me

Tom Aspaul

You think that you want me  
You think that I'm worth your time  
You said that you don't even know me  
But you'll take a chance tonight

Are you sure that it's me that you want?  
Have you seen me?  
Are you looking at the right boy, baby?  
I fear that it's gonna be, gonna be too late  
When you realise it

I'll let you down  
(Yes I'll let you down, yes I'll let)  
If you get too close to me  
Close to me  
Close to me  
I'll let you down  
(Yes I'll let you down, yes I'll let)  
I'm not who I'm supposed to be  
Supposed to be  
Supposed to be, baby

Born in Wolverhampton  
Left when I was just fourteen  
Then I moved to London  
That's all you really need to know about me

Are you sure that it's me that you want?  
Gonna be too late  
When you realise it

I'll let you down  
(Yes I'll let you down, yes I'll let)

If you get too close to me  
Close to me  
Close to me  
I'll let you down  
(Yes I'll let you down, yes I'll let)  
I'm not who I'm supposed to be  
Supposed to be  
Supposed to be, baby

Are you sure that it's me that you want?  
Have you seen me?  
Are you looking at the right boy, baby?  
I fear that it's gonna be, gonna be too late  
When you realise it

I'll let you down  
(Yes I'll let you down, yes I'll let)  
If you get too close to me  
Close to me  
Close to me  
I'll let you down  
(I'll let you down)  
(Yes I'll let you down, yes I'll let)

I'm not who I'm supposed to be  
Supposed to be  
Supposed to be, baby  
(Yes I'll let you down, yes I'll let)  
(Close to me, close to me, close to me)  
(Yes I'll let you down, yes I'll let)  
(Supposed to be, supposed to be, supposed to be)
