

Tom Cardy Presents The Even Newer Tom Cardy Range

Tom Cardy

I'm a business man with a business plan

I'm gonna make you money in-

(Spoken)

Hello Benton

Do you have more vinyls now?

How is your number in my phone?

I want a new mug and a corduroy hat

What?

You get the corduroy hat and you're on the triple-Js, so I want one-

I'm not doing any more merch- the fuck? (Merchandise)

I want a new mug, a hat, a bag, and repress the vinyl in a fun color,
okay? Goodbye

(Round 2)

(Fight)

Pink

The vinyl is pink and

The high five shirt really makes you think

(Anxious jumper) Very very fine, and

The big breakfast now comes in a mug

Did I say I made a shirt with the same design as the sweater

I don't think I did

Did you know I made a hat

Made a corduroy for your head

You did not

I got a bag that says 'I am tired'

Only buy this bag if you are tired

Please don't ruin the system

Don't make me a liar by buying this bag if you're not tired

If you want a vinyl

Then buy a vinyl

Don't wait till they're sold out

And then message me

I don't have any left

I don't have extra vinyl

That I don't sell lying arou-

I don't have- there's-

No one has vinyls lying around

That's not how vinyls work

That's not how anything works

(Did you restock the vinyl, mister?)

(I want a new mug and a corduroy hat)
