

# Weird Guy

Tom Cardy

I am a weird guy  
A very strange guy  
A nonspecific guy  
Just a very weird guy (Just a very weird guy)

I live a very hipster life  
I am the clean freak, I keep it tight  
Tall and lanky, you know the type  
A fan of hip-hop, I'm very white

I bet you know a weird guy like me  
I only ever drink long back coffee  
And I think that you would agree  
That I'm definitely no one specifically  
(No one specifically)

I am a weird guy  
(Who could it be?)  
A very strange guy  
(Is it you or me?)  
A nonspecific guy  
(Don't ask me why)  
Just a very weird guy  
(Just a very weird guy)

I am a very relatable weirdo  
When I was young, I was addicted to Halo (When I was young, I was addicted to Halo)  
I used to have a horse, his name was Rambo (Rambo!)  
But then he died and I had to bury him

I am a man of a million faces  
He is a man who wore adult braces  
I'm the type of guy who is easily disgusted  
I'm the type of fella who refuses to eat custard

Weird guy  
(Who could it be?)  
A very strange guy  
(Is it Michael Hing?)  
A nonspecific guy  
(Don't ask me why)  
Just a very weird guy  
(Just a very weird guy)

Everybody knows a weirdo that fucked up  
The Hottest 100 by replaying a song by Doja Cat  
Everybody knows a friend of Veronica Milsom  
Who sings a little song when they put their pants on  
Everybody knows a guy who tried a nicotine lozenge  
That made him vomit in a Supercheap Auto car park  
Everybody knows a guy that threw a big tantrum  
When his national radio station job wouldn't let him  
Fly a helicopter onto a boat  
And then present the afternoon radio show that he works for  
From that boat

It could be anyone

Weird guy  
(Who could it be?)  
A very strange guy  
(Is it Michael Hing?)  
A nonspecific guy  
(Don't ask me why)  
Just a very weird guy  
(Just a very weird guy)
