First Time Around

Tom Cochrane

Saturday she was all dressed in blue
Standing at the bar at the Pick It Up Saloon
She said "We don't know big guy I know you
And that's all gonna change before the night is through"

And I knew
The first time I loved you was like the first time around
Whoa oh oh oh oh
Whoa oh oh oh oh

Had it all but I was leaving town
Never went alone she was already there
She was like the rain, I got drenched to the bone
Only love can bring me home

For I drowned
The second time I loved you was like the first time around
Whoa oh oh oh oh
Whoa oh oh oh oh

That was all such a long time ago
Some stuff grows older some stuff just grows
How things change and that's a fact
Some stuff stays like blood on the track
Whoa oh oh oh oh
Whoa oh oh oh oh

For some reason she had boulders in the head
She said "I might not been there but
I'm gonna get there anyways" and
Maura had stockings that stretched halfway up her back
From that point on I know there was no turning back

From what I found
Last time I loved you was like the first time around
Whoa oh oh oh oh
(Like the first time around)
Whoa oh oh oh oh
(Oh like the first time around)

That was all such a long time ago
Some stuff grows older some stuff just grows
(Like the first time around)
How things change and that's a fact
(Like the first time around)
Some stuff stays like blood on the track
