

# No Regrets

Tom Cochrane

Walking by the roadsigns  
I see my fate wrote upon it  
And I'm checkin' out the back end  
Where my race is now run

You might hear a thousand harps  
Of heaven rain down upon her  
I cant stand and watch  
While you stand accused

We got no  
No regrets

We might have seen better times  
But maybe we ain't been there yet  
Remember the good times  
And least you forget

We'd have no  
No regrets

Sometimes you might find  
Like you feel that your drownin'  
Run for cover, like some blown out fuse

Remember one thing  
That you file that number  
You can call me up baby  
You wont be refused

You'll have no  
No regrets

We might have seen better times  
But maybe we ain't been there yet  
Remember the good times  
And don't you forget

You'll have no  
No regrets

After all the shit you know we been through it  
There ain't a shovel big enough in the world  
That could move it

We got no  
No regrets

We might have seen better times  
But maybe we ain't been there yet  
Remember who you are  
And don't you forget

You'll have no  
No regrets

You'll have no

No regrets
