

An Endless Summer

Tom DeLonge

We all wait patiently
But it is hard to see you
How hard around the first time
As we are born we dream
Everyone will run, will jump, will laugh
Piece by piece the seam begins to crack

Stock up and run
Like a magazine
Sixteen on a wicked Friday
Sex songs and gasoline

Down on the coast
I'll win her heart
Sunsets and summer Sundays
Hands go up in her bra

(Oh oh-oh oh-oh oh)
(Oh oh-oh oh-oh)
She's so unforgettable
(Oh oh-oh oh-oh)
(Oh oh-oh oh)
Sixteen and all American

Follow me close
It's gonna be a long way to travel through life
And knowing that it's so illogical

Steady it goes
It's going to be a hard one to see what you find
I know that it's so illogical

We are alive
Siting now awake
Sixteen on a panic Monday
Small dress on the interstate

Get so excited
Sound of a gun
Ride out with the racing jacket
On highway one on one

(Oh oh-oh oh-oh oh)
(Oh oh-oh oh-oh)
(Oh oh-oh oh-oh)
(Oh oh-oh oh-oh)
She's so unforgettable
(Oh oh-oh oh-oh)
(Oh oh-oh oh-oh)
(Oh oh-oh oh-oh)
(Oh oh-oh oh)
Sixteen and an all American

Follow me close
It's gonna be a long way to travel through life
And knowing that it's so illogical

Steady it goes
It's going to be a hard one to see what you find
I know that it's so illogical

Follow me close
It's gonna be a long way to travel through life
And knowing that it's so illogical

Steady it goes
It's going to be a hard one to see what you find
I know that it's so illogical

Follow me close
It's gonna be a long night if you're gonna hide
And knowing that it's so illogical

Steady it goes
It's going to be fun one to see what you find
I know that it's so illogical
