

Walking here all by myself
With nothing much to do
Looking back on an empty street
The one I always knew
Crossroad just ahead of me
No one to help me choose
Still when I just think of you
There is nothing more to lose

Am I only dreaming
The world is so intriguing

After 25 years (Am I only dreaming)
25 years (The world is so intriguing)
Yeah I'm 25 (Am I only dreaming)
Yeah I'm 25 (The world is so intriguing)

The road is full of people
With nothing much to do
Just thinking about a future
Without giving me a clue
I know where I am going
I'll leave 'em all behind
'Cause the only one that can decide
Is hiding deep inside

Am I only dreaming
The world is so intriguing

After 25 years (Am I only dreaming)
25 years (The world is so intriguing)
Yeah I'm 25 (Am I only dreaming)
25 (The world is so intriguing)

The more you try to stop me
The more I feel alive
Things weren't always looking good
But now I should lead five
24, a bumpy road
Not sure when alright
And even though it doesn't seem much
I'm already 25

Am I only dreaming
The world is so intriguing

After 25 years (Am I only dreaming)
25 years (The world is so intriguing)
Yeah I'm 25 (Am I only dreaming)
Oh I'm 25 (The world is so intriguing)

25
Yeah I'm 25
Ooh, 25
Yeah I'm 25
