

All Night Long

Tom Dice

Well my friends the time has come
To raise the roof and have some fun
Throw away the work to be done
Let the music play on

Everybody sing, everybody dance
Lose yourself in wild romance

We going to party, caramba
Fiesta forever
Come on and sing along
We going to party, caramba
Fiesta forever
Come on and sing along

All night long
All night long
All night long
All night long

People dancing all in the street
See the rhythm all in their feet
Life is good, wild and sweet
Let the music play on

Feel it in your heart
And feel it your soul
Let the music take control

We going to party, caramba
Fiesta forever
Come on and sing along

All night long
All night long
All night long
All night long

Everyone's dancing their troubles away
Come join our party and see how we play

We going to party, caramba
Fiesta forever
Come on and sing along
We going to party, caramba
Fiesta forever
Come on and sing along

All night long
All night long
All night long
All night long
All night long
All night long
All night long
All night long
All night long
All night long
