

Cannonball

Tom Dice

Fear, ain't nobody strand around here
And it's tough, when you feel like you're not enough
When I'm weak, is when I really know I'm strong
On my knees, picking up and moving on, moving on (yeah)

And nothing gonna stop me now
Nothing gonna slow me down
And if you think I'm gonna give it up, give it up
I may be dizzy lying on the ground
But I'm ready for another round
I ain't never gonna give you up, give you up (Hey!)

I say we're unstoppable
I know we're gonna win the war
I say we're unstoppable
Like a cannonball
Nothing gonna stop me now
Scars from the battleground
Reminders how
I say we're unstoppable
Like a cannonball
Like a cannonball

Let it go, the anger that you've always known
It's no use, there's better things in front of you
You gotta find a way to use it
Burn the fuel and keep on moving
The road is long
We gotta keep marching on
Ma-ma-ma-marching on
Ma-ma-ma-marching

Nothing gonna stop me now
Nothing gonna slow me down
And if you think I'm gonna give it up, give it up
I may be dizzy lying on the ground
But I'm ready for another round
I ain't never gonna give you up, give you up (Hey!)

I say we're unstoppable
I know we're gonna win the war
I say we're unstoppable
Like a cannonball
Nothing gonna stop me now
Scars from the battleground
Reminders how
I say we're unstoppable
Like a cannonball

On our way and we won't look back
Come what may, take the good and bad
On our way and we won't look back
Come what may, take the good and bad
On our way and we won't look back
Come what may, take the good and bad
Take the good and bad
Take the good and bad

I say we're unstoppable
I know we're gonna win the war
I say we're unstoppable
Like a cannonball
Nothing gonna stop me now
Scars from the battleground
Reminders how
I say we're unstoppable
Like a cannonball
