

Crossroads

Tom Dice

You're my light in darker days
Who can keep the wolves at bay
You're my only cornerstone
With you I'm not afraid

So here I'm standing at the crossroads
And I can't tell which way's a home
We don't know about tomorrow
Oh I'm scared to make a call

Catch me if I fall
Catch me if I fall

I woke up to chase my dreams
On my way they all got lost
But you help me fight my tears
To let go of who I was

So now I'm standing at the crossroads
And I can't tell which way's a hope
We don't know about tomorrow
I'm not scared to make the call

Catch me if I fall
Catch me if I fall
Catch me if I fall
Catch me if I fall

So here I'm standing at the crossroads
And all directions lead me home
We still don't know about tomorrow
But I'm ready to make the call

Catch me if I fall
Catch me if I fall
Catch me if I fall
Catch me if I fall
