

Me And My Guitar

Tom Dice

People always say
Tom, this has gone to far
But I'm not afraid to chase my dreams,
Just me and my guitar
And no-one may ever know
The feelings inside my mind
'Cause all of the lines I ever write
Are running out of time
So maybe I should get a nine to five
But I don't want to let it go, there's so much more to life

Tell me that I've got it wrong
Tell me everything will be okay
Before I fall
Tell me they'll play my songs
Tell me they'll sing the words I say
When darkness falls
All of the stars will see
Just me and my guitar

I'm sure that I'll find my way
'Cause I'm not afraid to try
Even a world of love and hope can't guarantee that price

So maybe I should get a nine to five
But I don't want to let it go, there's so much more to life

Tell me that I've got it wrong
Tell me everything will be okay
Before I fall
Tell me they'll play my songs
Tell me they'll sing the words I say
When darkness falls
All of the stars will see
Just me and my guitar

Me and my guitar...
