## Me And My Guitar

People always say Tom, this has gone to far But I'm not afraid to chase my dreams, Just me and my guitar And no-one may ever know The feelings inside my mind 'Cause all of the lines I ever write Are running out of time So maybe I should get a nine to five But I don't want to let it go, there's so much more to life

Tell me that I've got it wrong Tell me everything will be okay Before I fall Tell me they'll play my songs Tell me they'll sing the words I say When darkness falls All of the stars will see Just me and my guitar

I'm sure that I'll find my way
'Cause I'm not afraid to try
Even a world of love and hope can't guarantee that price

So maybe I should get a nine to five But I don't want to let it go, there's so much more to life

Tell me that I've got it wrong Tell me everything will be okay Before I fall Tell me they'll play my songs Tell me they'll sing the words I say When darkness falls All of the stars will see Just me and my guitar

Me and my guitar...
