

# Miss Perfect

Tom Dice

I'm sorry for what I've done  
Maybe you're surprised by what I said  
But I am not taking you back, I am no longer your  
marionette  
Our relationship's over now, you didn't fight for  
it  
And now I'm taking distance of the girl that's so  
close to me

I know you're sorry for what you did  
And girl, I'm surprised that you asked that  
chance  
'Cause I should've asked that chance, but I didn't  
want it

And I was never the first thing on your mind  
Still I believe that you love me but I fell in love  
with another girl  
All I want to do is be with her

'Cause with you the things wouldn't be the same  
And I know you ain't gonna change  
I don't want to do this anymore  
Don't want to get hurt again and start over

I just stopped loving you this time  
But still you have a place in my heart  
But you ain't gonna crack me anymore, anymore

And I said, "Why d'you want me back?"  
And now you cry, but I'll never take you back  
And now you're recking me for being ruthless  
now  
You'll lose the fight now, much girl asking why

So shut the fuck up, shut the fuck up  
You really don't have the right to speak girl  
I don't want to carry this anger  
You didn't give me the chance to explain

Girl, the things will never be the same  
'Cause I know people never change  
I don't want to argue anymore  
And bury our hate for each other and just be  
friends

I just stopped loving you this time  
But still you have a place in my heart  
But you're not miss perfect anymore, anymore  
No no anymore
