

# Fingertips

Tom Gregory

Many years ago is when it all began  
You found a home in the palm of my hands  
The minute I held you to my chest I knew I found  
The only one for me such a beautiful sound

Sing for me, my darling, won't you sing it for me  
Let my fingertips keep playing your sweet melody  
Sing for me, my darling, don't need no symphony  
Let my fingertips keep playing your sweet melody

Woah...

Woah...

You help me write a song when I've nothing to say  
But when I need you most, oh, you're not far away  
The minute I held you to my chest I knew I found  
The only one for me such a beautiful sound

Sing for me, my darling, won't you sing it for me  
Let my fingertips keep playing your sweet melody  
Sing for me, my darling, don't need no symphony  
Let my fingertips keep playing your sweet melody

Woah...

Woah...

Sing for me, my darling, don't need no symphony  
Let my fingertips keep playing your sweet melody

Sing for me, my darling, won't you sing it for me  
Let my fingertips keep playing your sweet melody  
Sing for me, my darling, don't need no symphony  
Let my fingertips keep playing your sweet melody

Woah...

Woah...
