

Never Let Me Down

Tom Gregory

You've got a hold on me
You take control of me
Just don't let go of me
I don't wanna lose you

You've got my head spinning
Quit all the bad thinking
Want you to last with me
I don't wanna lose you

Hold on me
Take control of me
Don't let go of me, oh
Never let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down

Give me higher ground
Baby, lift me higher now, now
Turn me right around
Never let me down

Give me higher ground
Baby, lift me higher now, now
Turn me right around
Never let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down

Don't have to say nothing
You've got my mind running
Feel like I'm free falling
I don't wanna lose you

You've got my head spinning
Quit all the bad thinking
Want you to last with me
I don't wanna lose you

Hold on me
Take control of me
Don't let go of me, oh
Never let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down

Give me higher ground

Baby, lift me higher now, now
Turn me right around
Never let me down

Give me higher ground
Baby, lift me higher now, now
Turn me right around
Never let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down

Give me higher ground
Baby, lift me higher now, now
Turn me right around
Never let me down

Give me higher ground
Baby, lift me higher now, now
Turn me right around
Never let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down

Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down
