

# How Does It Feel

Tom Grennan

'Cause I could be at yours on Friday  
Two nights at the place we started  
It's a long way back from "Sorry"  
But here I go  
How does it feel?  
How does it feel?  
(Just tell me something)

I don't know what to tell ya  
I don't know what to say  
I got into my head, I'm sorry I threw it away  
But I'm so glad you came back  
Even through all the pain  
Let me try mend it, I can promise, I swear that I have changed

Oh, let me give you all of me  
Can we just start it out for real?

'Cause I could be at yours on Friday  
Two nights at the place we started  
It's a long way back from "Sorry"  
But here I go  
How does it feel?  
How does it feel?  
(Just tell me something)

Did you miss me?  
I've been so messed up since you stopped calling  
It's a long way back from "Sorry"  
But here I go  
How does it feel?  
How does it feel?  
(Just tell me something)

I had some time to process  
I'll take all of the blame  
I wasn't thinking, I won't put you through all that again  
If you take me back, then I'ma take you through the facts  
Just hold on tight 'cause I'm the type to make it right and take you all the way

Oh, let me give you all of me  
Can we just start it out for real?

'Cause I could be at yours on Friday  
Two nights at the place we started  
It's a long way back from "Sorry"  
But here I go  
How does it feel?  
How does it feel?  
(Just tell me something)

Did you miss me?  
I've been so messed up since you stopped calling  
It's a long way back from "Sorry"  
But here I go  
How does it feel?

How does it feel?  
(Just tell me something)

How does it really feel?  
We've both waited so long  
You're still in my head  
It's all I'll ever want  
Let's not waste no time  
Give it one more try  
How does it feel?  
How does it feel?

'Cause I could be at yours on Friday  
Two nights at the place we started  
It's a long way back from "Sorry"  
But here I go  
How does it feel?  
How does it feel?  
(Just tell me something)

Did you miss me?  
I've been so messed up since you stopped calling  
It's a long way back from "Sorry"  
But here I go  
How does it feel?  
How does it feel?  
(Just tell me something)
