

Easy

Tom Helsen

Can I still be yours?
Is there room on your raft
For one more?
We should cut it out
And take it nice and slow
It's never easy

Is your mind still closed?
Are you sure that it will
Never open?
You can never be who you were

It's never easy
And I'll keep them
Off shore

I gave you silence
But you're nothing more
Than a mouthful
And I won't give in

I need no warning
But everything should be golden
And I won't give in
No I won't give in
I let it go

It's never easy
Never sure, never sure
I know
