

Georgia On My Mind

Tom Jones

Georgia, Georgia
The whole day through
Just an old sweet song
Keeps Georgia on my mind

Georgia, Georgia
That song of you
Comes as sweet and clear
As a moonlight on the pines

Other arms reach out to me
Other eyes smile tenderly
Still in peaceful dreams
I see that road leads back to you

That's why I said
"Georgia, Georgia, no peace can I find"
Just an old sweet song
Keeps Georgia on my mind, yeah

Other arms reach out to me
Other eyes smile tenderly
Still in peaceful dreams, I see
That road keeps on leadin' right back to you
Can't [?] talking to you

Georgia, Georgia
The whole night, the whole night through
Just an old sweet song
Keeps Georgia on my mind, yeah

Just an old sweet song
Keeps Georgia on my mind
Georgia on my mind
Georgia on my mind
