

Give Her All The Roses (Don't Wait Until Tomorrow)

Tom Jones

Just give her all the roses! Don't wait until tomorrow...
Somewhere down the road.
She may need a steady hand.
Time has washed away the rosy cheeks.
Life has turned the other way.
Some other time or place...
Maybe just a day to late.
Just give her all the roses.
.Don't wait until tomorrow.
A man can spent a lifetime,
searching for a dream that takes forever.

Or sometimes he may look the other way,
but when the sky gets cloudy,
she's the only one that brings the sunshine.
So tell her that you love her!
Show her that you need her every day...
.day after day after day.

Repeat chorus Somewhere down the road...
