

# Hello Young Lovers

Tom Jones

When I think of Tom  
I think about a night  
When the earth smelled of summer  
And the sky was streaked with white  
And the soft mist of England  
was sleeping on a hill

I remember this  
And I always will  
There are new lovers now  
on the same silent hill  
Looking on the same blue sea  
And I know Tom and I  
are a part of them all  
And they're all a part of Tom and me

Hello Young lovers whoever you are  
I hope your troubles are few  
All my good wishes go with you tonight  
I've been in love like you

Be brave, young lovers, and follow your star  
Be brave and faithful and true  
Cling very close to each other tonight  
I've been in love like you

I know how it feels to have wings on your heels  
And to fly down a street in a trance  
You fly down a street on a chance that you'll meet  
And you meet not really by chance

Don't cry young lovers whatever you do  
Don't cry because I'm alone  
All of my mem'ries happy tonight  
I've had a love of my own  
I've had a love of my own like yours  
I've had a love of my own
