

# I Don't Think So

Tom Jones

I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)

Evil wants to control your mind  
Greed wants to take your time  
Wrong wants to stand over right  
Will you give in without a fight?  
No, I don't think so  
I don't think so  
Hate wants to kick love to the curb  
Leaders say, no need to be disturbed  
Failure wants to play tapes in your head  
Will you just lay there in your bed?  
No, I don't think so  
I don't think so  
Somebody, help me say now

I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)

Turn away from God above  
Living in this world without his love  
Run away from all the truth  
Kill every sight of youth  
No, I don't think so  
Well, I don't think so  
Help me say it one more time

I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so, no, no)

(I just wanna let you know)  
A place we can go (there's a safe place to go)  
When this world is (when the world's banging at your door)

I don't think so

I don't think so (I don't think so)  
I don't think so (I don't think so)

I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so

Make sure the rich get more  
Ignore all the cries of the poor  
Only the government in charge  
And the enemy, the enemy living large  
No, I don't think so

I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think, I don't think)  
I don't think so (I don't think)  
I don't think so (I don't think so, no, no)

I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so  
I don't think so (I don't think so)  
I don't think so (evil wants to control your mind)  
I don't think so  
I don't think so (and greed wants to take your time)  
I don't think so  
I don't think so (wrong wants to stand over right)  
I don't think so  
I don't think so (will you give)  
I don't think so (will you give in without a fight I don't think so)  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so  
I don't think so (I don't think so)  
I don't think so (I don't think so)  
I don't think so (oh no no no)  
I don't think so (I don't think so)  
I don't think so
