

# I'm Too Far Gone (To Turn Around)

Tom Jones

(Too far gone to turn around)  
(Too far gone to turn around)

I'm feeling so sad and blue  
Home ain't home without you  
But there's nothing I can do to ease the pain

They say a man ain't supposed to cry  
But here I am, with tears in my eyes  
It looks like I've been out in the rain

I don't care how hard it may seem  
I need you, girl of my dreams  
I don't mind the hurt you give  
Without your love, I don't want to live

I'm too far gone, girl, to turn around  
I'm too far gone to turn around

(Too far gone)  
(Too far gone)

I'm at the point of no return  
I played with fire and I got burned  
But I'll keep on trying, I won't give in

Ain't no sense in playing it cool  
Deep in your heart, you know I'm a fool  
But I'll be your fool until the end

My heart won't let me accept defeat  
Cause with you, darling, my life's complete  
My love grows stronger, day by day  
There's nothing I can do or even say

I'm too far gone, girl, to turn around  
I'm too far gone to turn around

(Too far gone)  
I'm too far gone  
(Too far gone)  
I'm too far gone  
Can't you see it when you look in my eyes  
I'm too far gone

My heart won't let me accept defeat  
Cause with you, darling, my life is complete  
My love grows stronger, day by day  
There's nothing I can do or even say

I'm too far gone, girl, to turn around  
I'm too far gone to turn around  
Listen to me, baby  
I'm too far gone to turn around  
I'm too far gone to turn around
