

Lingering On

Tom Jones

Lingering on
They're lingering on
Each of the joys that came with the love we knew

Sparkling champaign
A walks in the rain
It's hard to forget these moments I shared with you

Love may be lost
You may be gone
Still there's a thousand memories to dream upon
Something went wrong
But, darling, the song
Like fragrant perfume
Keeps lingering on

(Lingering on
They're lingering on)
Each of the joys that came with the love we knew

(Sparkling champaign
A walks in the rain)
It's hard to forget these moments I shared with you

Love may be lost
You may be gone
Still there's a thousand memories to dream upon
Something went wrong
But, darling, the song
Like fragrant perfume
Keeps lingering on

Like fragrant perfume
Keeps lingering on
