

# Move Closer

Tom Jones

Hey' baby  
You go your way  
And I'll go mine  
But in the meantime

Move closer

When we're together  
Touching each other  
And our bodies  
Do what we feel

When we're dancing  
Smooching and swaying  
Tender love song  
Softly playing

Move closer (move closer)  
Move your body' real close until we  
Feel like we're making love

Get closer

So when I say sugar  
And I whisper i love you (I love you)  
Well I know you're gonna answer  
in the sweetest voice yeah my sexy baby  
I love you too

There's much room for passion, oh no, no  
There no room for fears  
When the love flows smoothly between us  
my dear

Oh move closer baby

Come here girl  
Let me hold you  
You feel so good to me woman

Move closer) Let's get closer  
(Let's get closer) Gonna make sweet love to you  
Honey get beside me  
And let me love you  
My baby, baby, baby  
I love you

So baby won't you  
Move closer (move closer)  
Why don't you move your body real close  
Until we feel like we're really' making sweet, sweet,  
sweet, sweet, sweet love  
Move closer (move closer)  
So why don't you take me to heaven  
Oh baby, to heaven, yeah  
Let's take our time and do it right  
Be going all night, yeah

It's gonna be a long night
